

Winnipeg, May 9, 2006 – David Wolinsky, Chair of the Board of Directors of Novra Technologies, has resigned from the Board of Directors as of April 27, to focus his time on other personal commitments.

Mr. Wolinsky was a valued contributor to Novra's growth and success. The Board thanks him for his service and wishes him continued success in his other endeavours.

Peter Wintemute has taken on the role of Acting Chair of the Board of Directors.

About Novra:

Novra Technologies Inc. (TSX VENTURE: NVI) offers premium broadband products, applications and services for the cable, satellite and terrestrial broadcast markets. Novra's products are standards-compliant and enable delivery of Internet, multi-media files, weather data, video (IP-TV) and audio streams using the Internet Protocol (IP) over DVB/MPEG digital TV broadcasts. Novra has three product families: DVB-IP encapsulators, broadband receivers, and a multimedia distribution and management system for digital signage and captive audience networks. Novra's products are sold worldwide through sales agents, resellers, and service provider partners. To learn more, visit the company's website at www.novra.com.
